## Swimming

### Water Skills for Life

As part of our 'Water Safety' focus this term all students have been involved in the 'Water Skills for Life' programme.

This is being delivered by trained instructors at the Horowhenua Aquatic Centre.

As this is part of our Physical Education and Health curriculum all students are expected to participate.

There is no charge to students for this activity.

Students will need, togs, towel and a tog bag. Please ensure all are named.

We will be walking to the Aquatic Centre for our lessons. If you can help out with supervision, please let the class teacher know.

### **Dates and times:**
