No Principal's message this fortnight. Mr Sannazzaro is in Australia, hopefully enjoying some sunshine while catching up with family.

All permission slips for the Surf Life Saving Beach day, on Wednesday 13th November, need to be returned to the class teacher as soon as possible. This is going to be a great day and it would be a shame to miss out.

New signage for the hall, office, library and class rooms have now been put up. These nice big signs certainly stand out and hopefully will make it easier for visitors to find their way around the school.

Kowhai Fundraiser: Tomorrow is the last day for the Sausage Sizzle fundraiser, all orders were to be in today. Thank you to all those that supported this fundraiser to help Kowhai students go to Makahika.

Happy Birthday: Miziah and Kingston celebrated their birthdays this week. Connor, Riko and Xavier will celebrate theirs next week. We hope you all had/have wonderful birthdays.

Kowhai children were putting blue fish on all the storm water drains around the streets surrounding the school. This is to inform our community that what goes down our storm water drains goes straight into Lake Horowhenua and in Lake Horowhenua are fish. Therefore, whatever goes down the drain can have a serious impact on our lake and the fish that live there.

Thanks to the help from a wonderful family in Kauri class. The children have been growing vegetables in a vegie patch outside their class room. Last week they harvested beetroot, which they then made into a delicious chocolate cake that was thoroughly enjoyed by many, including staff. What a wonderful experience for the children. 😊

Attendance: The school day starts at **8.55 am**. Children arriving late disrupt the whole class. Please make every effort to have your child at school on time. Remember to notify the school if your child is going to be late or absent. By downloading the **free** Skool Loop app, you will not use any of your data if you need to contact the school.
