14th April 2020

Kia Ora to everyone,

Hopefully this notice reaches you all, our parents, caregivers and whanau of our Levin School Community.

I trust all is well with you and your families in this time of national lockdown.

This notice deals with the ongoing learning of your child/ren, whether it be online or hard copy based.

- Term 2 officially starts on Wednesday 15th April.
- Thank you for the support that you have given to your child/ren with their learning, I am aware that a number of students have been engaged with their learning from the onset of the lockdown.
- Teachers will be making contact with the families of their students, either online or by the phone within the next week.
- Teachers will be providing ongoing activities from the 15th April via online communication, and if needed, may be able to arrange alternative contact.
- Please be aware that although teachers will be providing material, they may not be present online all the time as they have other commitments they will need to meet.

We ask you, the parents support your child/ren by

1. Asking /helping them check their email or the family email, this is where students will find information from their teachers.
2. Ask / help them share their learning with you.
3. Where possible, have a quiet place to work, a space that is comfortable and free from distractions.
4. Make sure that they stay hydrated and eat food that will support their brain.
5. Please do not put undue pressure on students to complete tasks set, remember learning should be fun.
6. Please feel free to contact their class teacher if you are unsure about anything.
7. Make use of the resources provided by the MOE via television.

Please feel free to email me at principal@levin.school.nz if you have any queries or immediate needs.

Please take care out there and look after yourselves and your families

Kind regards,
Paddy Sannazzaro
