9th June 2020

Kia ora Whanau

I am sure you were as pleased as I was to hear the Prime Minister's announcement about moving to Alert Level 1. For us, there will be no major changes to what we are doing and our school continues to be safe to attend, including any staff and children who are considered more vulnerable to COVID. We have a good cleaning routine in place, people who are sick are staying at home and we continue to encourage good hygiene practices.

We are supporting contact tracing by having QR code posters at our entrances – so if you haven't already downloaded the NZ COVID Tracer app the Ministry of Health's [NZ-COVID Tracer app page](#) has information to help you do that. QR code posters will be at each building entranceway. You now no longer need to 'sign in'.

What is changing is we can now look forward to inter-school and community sport, cultural events and performances and to welcoming all of our school community on site for these activities.

I would like to acknowledge you all and thank you for your understanding and cooperation over the last few weeks for the measures we had in place at Alert Level 2.

Please be assured that we are to keep up with our stringent cleaning routines and will continue to have hand sanitiser at every entrance to class and office areas.

The back entrance can now be used. Please watch for pedestrian traffic.

Drinking fountains will remain closed at this stage. Water bottles can be refilled at the water station. A timely reminder that we are a Water only School.

Once again many thanks for all of your efforts in helping Team NZ to get to Level 1.

Take care.

Ngā mihi

Paddy Sannazzaro
